Whoops! Sorry! Excuse me!

Police car here! Yes, it's a police car! That's what it is!

What're you talking about!? Driving a car means you're supposed to knock people off to drive on through!

Hey, Marukawa... I appreciate your help, but I'm not sure this is the right way to go...

Please slow down...

That's why we all go to driving school!

...Anyway, I guess I'll be back in time for the social studies field trip.

Amaya, what're you laughing at?

Sounds fun... I'll definitely get my license too!

I'm actually sick... My third sense is weak...

!?

SKRR

Woah!

Almost ran over it too...

What a mess...

That was close~ It's a cat's corpse!

We're totally fine... You're such a typical Yankee with a soft spot for cats...

I'm sorry... Did you guys hit anything?

...

...Shouldn't we turn back?

With the help of Santa and his reindeer ...

We can bring it back to life, you know?

That cat...

Really?

You can't treat life so casually...

Now has to died again because of our selfish -ness.

...Content with a little food and a place to sleep,

A cat that lived a carefree life...

Hey, now! Don't bully him!

DRIP DRIP DRIP DRIP DRIP DRIP

You're such a...

I forgot you're just a boy inside.

Oh, sorry, sorry.

I'm just trying to tell you that no life is worth dying for.

BLEGHHH

We're almost at Kanda Station.

Oh, Amaya threw up.

...

You're too afraid of your own power.

STANDING IN THE WINDLESS WILDER -NESS...

SLIDE

SLIDE

THE SHAME OF A TREE THAT KEEPS DEAD LEAVES ON ITS BRANCHES ...

ROOTED IN DEPLETED LAND...

SLIDE!!

WAIT -ING FOR ITS OWN DEATH.

SLIDE!!

The withered holly leaf is the symbol of the Red -Robed Special Forces.

But a dead leaf is a dishonor once it remains on a branch.

Captain ...

Y... Yes...

You understood that when you had it tattooed, right, Hyoudou?

I'll order a parfait.

It's been half an hour since she told us to wait for her at this diner.

CHATTER

CHATTER

I wonder if Ms. Hyoudou is okay... She went to Kanda station to look for Sanda and the others...

BLAH

BLAH

She looked very upset.

The descendant of Santa Claus!

SANDA KAZUSHIGE

The one that you thought was among those kids.

Take a good look at the photo you prepared.

You dispatched all of the members here...

STAB

This is not just a mere mistake for this tattoo bearer...

I... I'M SORRY, I'M SORRY CAPTAIN, I'M SORRY!

PLEASE, LET ME FIND SANDA KAZU -SHIGE!

MAYBE SANDA GOT ON THE WRONG EXPRESS TRAIN BY MISTAKE... THEN HE MIGHT BE IN DANGER...

I WILL FIND HIM!

...Funny how you talk like that...

...Huh...?

*Og text is "Iron Lady," so choose whichever you like.

That's enough.

The Iron Maiden has fallen.*

You don't even realize it.

...

THE DEAD LEAF.

Just discard

!!

UOH

DON'T TOUCH ME!

GAGH

MS. HYOU-DOU!!

You're loud

BAM

AGH

...Sanda...

KANDA STATION

Ah!

There you are! I'm sorry I got lost...

You came to pick us up?

I'm so glad to see you!

Please don't be mad...

I'm glad you're okay.

?

At... me...

...

And now I can apologize to the captain.

It's only natural that I should feel that way, since you're my target.

That day, when I was threat -ened by the principal ...

I think... I'm having deja vu...

Oh, is that so...

Even though you're just a child.

You always appear when -ever I'm cornered.

Since this is an impor -tant mission,
That face is a match.
Let's make sure we're out of sight.

Huh?
Oh, shit, the jersey!

I really am...

...Such an idiot.

Yay! We got a new RD!
Now the horrific burden that is known as "RD'ing Sanda"
is slightly worse than it is!

Also, I am now a fucking Elden Lord. I can see
why Elden Ring won GOTY. Welp, time to beat the DLC.
